

Anna and Mark, occasionally meet

Anna: Hey Mark! Do you have any plans for the weekend?

Mark: I visit my parents on Saturday. And you?

Anna: I go hiking on Sunday if the weather is good. By the way, Monday is a holiday.

Mark: Really? What holiday is it?

Anna: It's Labour Day, so we don't go to work.

Mark: That's great! I like holidays. What month is it now?

Anna: It is April, the women's month!

Mark: oh yeah, indeed, the year goes fast. Where do you normally celebrate the women's day?

Anna: Well! At home with my mother, sisters, nieces, and sisters-in-law.

Mark: Good. Today is April 28, the year goes fast!

Anna: In fact, soon is December, and again new year.

Mark: ah, we are getting old.

Exercises

1. What is Ana's plans for the weekend?
2. What is Mark's plans for the weekend?
3. Which month is considered women's month?
4. Which day of the week was the labour day?
5. With whom does Ana celebrate the women's day with?
6. When did Ana and Mark meet?
