

The mirror and the princess

Every morning the mirror and the princess meet for a conversation.

Mirror: **You wake up early! I'm sure, you want to talk to me.**

Princess: Hello my favourite mirror, how are you today?

Mirror: Hello dear princess, better as never, and you?

Princess: **I am very good. I am beautiful as always.**

Mirror: **Yes, you are my darling. You are a princess!**

Princess: of course, **I am the most beautiful princess in the entire universe.** Don't you believe it?

Mirror: **Yes, I do, you have an impressive beauty.** Don't doubt it.

Princess: Never. Thanks my favourite mirror, **you always make me feel good.**

Exercise:

Read and understand the text.

1. Rewrite the text, but put the texts in bold in negative, the orange texts in interrogative, and the blue text in affirmative.
