English Class - Family, Professions, Genitive Case & Articles

1. Warm-up (5-10 min) - Conversacao Inicial

Trabalhe em pares ou grupos e responda oralmente:

- Do you have a big or small family?

- What does your father/mother do?

- Is your uncle a doctor or an engineer?

2. Vocabulario com Artigos

Associe as palavras com os artigos apropriados:

Family Members:

- mother, father, sister, brother, uncle, aunt, cousin

Professions:

- doctor, teacher, engineer, cook, firefighter

Exemplos:

- a teacher, an engineer, the doctor

3. Exercicio Oral em Pares - 'Who is who?'

Descreva a familia usando frases completas. O parceiro deve desenhar a arvore genealogica.

Exemplo:

- John is Mary's husband.

- Mary is a doctor.

- Peter is their son. He is an engineer.

4. Genitive Case - Pratica Guiada

Crie frases com os pares de palavras:

Exemplos:

- (Peter / mother / doctor) -> Peter's mother is a doctor.

- (Lucy / uncle / firefighter)

5. Jogo de Perguntas - Roleplay

Receba uma identidade com nome, profissao e membros da familia. Entrevistem-se usando as perguntas:

- What do you do?

- What does your brother do?

- Who is Paul?

Exemplo de ficha:

- Name: Anna

- Profession: Teacher

- Brother: Paul (Engineer)

6. Atividade Escrita
